Forward-Looking Statements

Statements included herein that are not historical in nature, are intended to be, and are hereby identified as "forward-looking statements" within the meaning of federal securities laws. These forward-looking statements are based on current expectations, estimates and projections about our industry, our business, our customer relationships, management's beliefs and assumptions made by management. These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties and assumptions that are difficult to predict and, in many cases, are beyond the control or knowledge of management. Therefore, actual results may differ materially from those expressed or forecasted in such forward-looking statements. We undertake no obligation to publicly update or revise forward-looking statements, whether as a result of new information, future events or otherwise. Additional information concerning some of the factors that could cause materially different results is included in our reports on Forms 10-K, 10-Q and 8-K filed with the Securities and Exchange Commission. Such reports are available from the Securities and Exchange Commission's public reference facilities and its website, <http://www.sec.gov>.
